

The Divine Rhythm Society Presents:

Portal is a gateway from which we voyage into the mystery, infinity, and wisdom of the Cosmos. Because the Cosmos are within us, our voyage is a journey of self-discovery that also connects us to each other and all of Creation. Portal is an opening that links to distant realms, which inspire our imagination, creativity, playfulness, curiosity, and the divine rhythm within us. The vast waves of Space and Time call us to enter the Portal. We are eager to answer their call with a community gifted to us by a very generous Cosmic chance. Join us. Imagine. Reach. Connect. We are one in the Dance!

Essential Communications for all participants:

The Rhythm Society holds these Essential Communications key to the experience of our celebrations. Please familiarize yourself and your guests with them before arriving.

The Rhythm Society strives to create a safe environment for the exploration of spirit in all its forms. We ask each of our guests to be mindful, so that your own exploration does not impinge upon that of another. Rhythm Society celebrations attract a diverse mix of people of all ages and backgrounds. Some of our guests may be new to an all-night dance environment, and we ask each of you to be sensitive and to help create a comfortable environment for everyone.

Please be respectful of the venue.

Remember that we are governed by the laws of the jurisdiction in which our event is taking place.

Our celebrations are no-alcohol events.

Tobacco may be smoked only in the designated area in front of the Spees Building. **Any type of smoking is absolutely not allowed inside the venue or the courtyard.**

- ☐ **I acknowledge that I have reviewed and am on board with the Essential Communications. If I am inviting guests, I also agree to ensure that each and every one of my guests is aware of and on board with the Essential Communications.**

The ANDC is a volunteer-run event, and donations are key to its success. We are asking for donations of \$40 or more, but we would appreciate any donation amount. If you cannot afford to contribute monetarily, then please attend *without any guilt*. If everyone gives what they genuinely can afford, the event can be a gift to those who cannot afford to donate. Also, please consider volunteering. It is a great way to participate and contribute to the spirit and the success of the event.

Each guest must be sponsored by a Rhythm Society Member, who will take responsibility for orienting the guests to our community's traditions and expectations. We ask that all of us, Friends and Members of the Rhythm Society, work together to ensure proper sponsorship at Portal in order to protect our container.
